

eBook Reader Basics

Everything eBook related can be found on the Library's website under the eLibrary tab, or at: www.westbloomfieldlibrary.org/elibrary

Overview

The West Bloomfield Township Public Library offers thousands of eBooks in ePub and PDF formats at the eLibrary as part of the 3M Cloud Library and the Metro Net Online Lending Library. These eBook titles can be downloaded onto a home computer and transferred to a compatible eReader using free software.

***Note:** There are different help guides available for other eBook devices.

Collection Basics:

- Thousands of eBooks are available in a variety of genres
- eBooks in the ePub or PDF formats work with compatible eReaders or may be read in web browsers
- eBooks circulate for 21 days
- Up to 10 titles can be checked out at one time per eBook service
- Checked out titles may be placed on hold

What is required to transfer an eBook to an eReader from 3M?

- A West Bloomfield Township Public Library card in good standing
- A home computer with high speed internet access
- A compatible eReader – for a list of compatible devices, go to: <http://3m-ssd.implex.net/cloudapps/>
- 3M Cloud Library software installed on your computer to transfer to your device
 - To download software go to: <http://3m-ssd.implex.net/cloudapps/>

Steps for downloading and transferring an eBook to an eReader from 3M

1. Before you begin, be sure to download the 3M Cloud Library software on your computer
 - a. Login to the software with your Library card number
2. To find Library eBooks, either browse through the software or go to the eLibrary page on the Library's website
3. If browsing via the eLibrary page, under the eBooks section, select **3M Cloud Library**
4. Enter your Library card number and select "login"
5. To search for a specific author, title or subject, click on the search tab
6. To browse by genre, select the categories tab
7. When browsing, to see if the title is available, click on the cover of the eBook
8. If the eBook is available for download, click "Check Out"
 - a. Holds may be placed on items that are checked out. You will be notified by email when the eBook becomes available and have three days to download it.
9. Open the 3M software on your computer
10. Select "MyBooks"
11. Connect the eReader to your computer
 - a. The software should find your device automatically
12. Select "download to device" on the cover of the eBook you wish to transfer
13. Follow the prompts on the screen
14. The eBook is now transferred and you may disconnect your device to begin reading

What is required to transfer an eBook to an eReader from OverDrive?

- A West Bloomfield Township Public Library card in good standing
- A home computer with high speed internet access
- A compatible eReader – for a full list of compatible devices go to: www.overdrive.com/resources/drc/
- **Adobe Digital Editions** software installed on your computer to transfer to your device
 - To download software go to: ebooks.metronet.lib.mi.us/en/help-reader-ade.htm
- An **Adobe ID** for your computer and your eReader- You will be prompted to obtain an ID the first time the software is opened and your device is connected.
 - To create an Adobe ID go to: <https://www.adobe.com/cfusion/membership/>

Steps for downloading and transferring an eBook to an eReader from OverDrive

1. To find Library eBooks, go to the eLibrary page on the Library's website
2. Under the eBooks section, select **OverDrive** (Metro Net Online Library)
3. Before you begin searching for eBooks, **sign in with your Library card number** on the top right.
4. To search for a specific author, title or subject, click in the search box on the top right and enter your search.
5. To browse by genre, select menu and choose from the genre options given
6. If the eBook is available for download, click on the cover and then select "**Borrow.**"
 - Holds may be placed on items that are checked out. When browsing the collection, if the eBook is currently available, the book icon on the top corner of the cover will be **darkened**; if checked out the icon will be **grayed** out.
7. Select the "**download**" dropdown button.
8. Choose the format you wish to download.
 - Except for Kindle basic users, it is suggested that users select the **ePub** format.
9. Select "Confirm & Download." When prompted to Open or Save the title, click **Open**. The title should download into Digital Editions on your computer and open.
10. Click on Library View in the Adobe Digital Editions software. This button can be found on the upper left-hand corner of the software and will show all of the titles you have downloaded.
11. Connect the eReader to your computer; it should appear in the lower left hand column of Digital Editions.
12. Click on the cover of the title you would like to transfer and drag it to your eReader in the left column. Drop the title into your eReader.
13. The title should now be transferred.

Help
