

# Cut down on wallet and key chain overload and use your phone as your Library card.

## To save your library card to our mobile website:

1. In Safari browser, go to [m.wbllib.org](http://m.wbllib.org)
2. Click "access my barcode"
3. Click "create account" link
4. Fill out form, click "create account" button

## To save your library card to your homescreen:

5. When prompted, click "save password"  
(Note: You must have this setting enabled in your browser)
6. Click "login page" link
7. Click share button: 
8. Click "add to homescreen" button: 
9. Rename the link in the top field to something that you will recognize
10. Click "add" at the top of Safari

## To use saved library card:

1. Click the link you just added to the homescreen
2. Click "get barcode #" button  
(email/password should be filled in)
3. Barcode appears on screen  
(the barcode is in a different format because it reads better at the self checkouts)

*Bring your phone to any Library Information Desk and staff will answer questions or help with set up.*
