Friends of the Library Pop-Up Book Sale

The Board received a report on the new pop-up book sale that the Friends of the Library would like to hold on March 13-16, 2019 prepared by Wendy Osthaus. The event would be held in the east entrance hallway at the Main Library. The consensus of the Board was to allow two large-scale book sales and one pop-up book sale per year in the Main Library. The first pop-up book sale will serve as a trial to make sure library operations would not be impacted. As a courtesy, the dates of the book sales should be provided to staff well in advance.

Bohrer reported that she has again advised the Friends that they must store all the used materials for sales in their storage room in the basement. Boxes of materials cannot be stored in the basement hallway because of fire restrictions.
