Limits on Materials

The library reserves the right to limit the quantity of materials borrowed in general or for a specific format to ensure equitable access. If a limit is imposed, it will be reflected in the Library Loan Chart (Attachment A) of the circulation policies.

The Library also reserves the right to limit the quantity of materials borrowed in general or for a specific format based on the type of library card issued as reflected in the Library Card Chart (Attachment D) of the circulation policies. The Library prioritizes the needs of residents and provides an elevated level of circulation, access, and services to its immediate community, as detailed in Library Policy 39, Premium Services for Residents and Taxpayers.

Interlibrary loan requests may be subject to limitations based on policies of the lending library and/or the interlibrary loan network organization.
